1. **To receive apologies for absence**

None

2. **Update on Summer Planting**

The Clerk confirmed that she had not received a response from Lee at the Old School Nursery, however Cllr. Andrew Dady has been down to his nursery to speak with him. It seems all is on track for Wrenvale and Old School Nursery to do the required Summer Planting

Members discussed what to do with the Winter Plants which were in all the pots at the moment.

AGREED: To recommend offering them to Natalie again to sell to the community and the money to be used by the BMC

3. **Community Events**

Cllr. Rhian Jones discussed holding a competition to grow the largest Sunflower.

Community Consultation is hoped to start around the first week of July regarding the Park Improvements.

It was suggested Skate & Co. do a day consultation with their own kits and ramps.

To discuss at full council

4. **Community Buildings**

It has been confirmed that the Urdd own the Aelwyd building and that they want to keep the building in the community for it to be used by the community.

They would like to apply for grants in order to improve the facilities, members were informed that it was hired out last weekend and it was virtually unusable.

It is the only building with a sprung floor in the area with a beautiful stage. Councillors wished to support such groups and felt that another member of staff for community engagement and grant funding is needed for the council

To explore further and put a job description together.

5. **Allotments**
